

Preview of August 2008 edition of  
the official TAS newsletter!

# Why this preview?

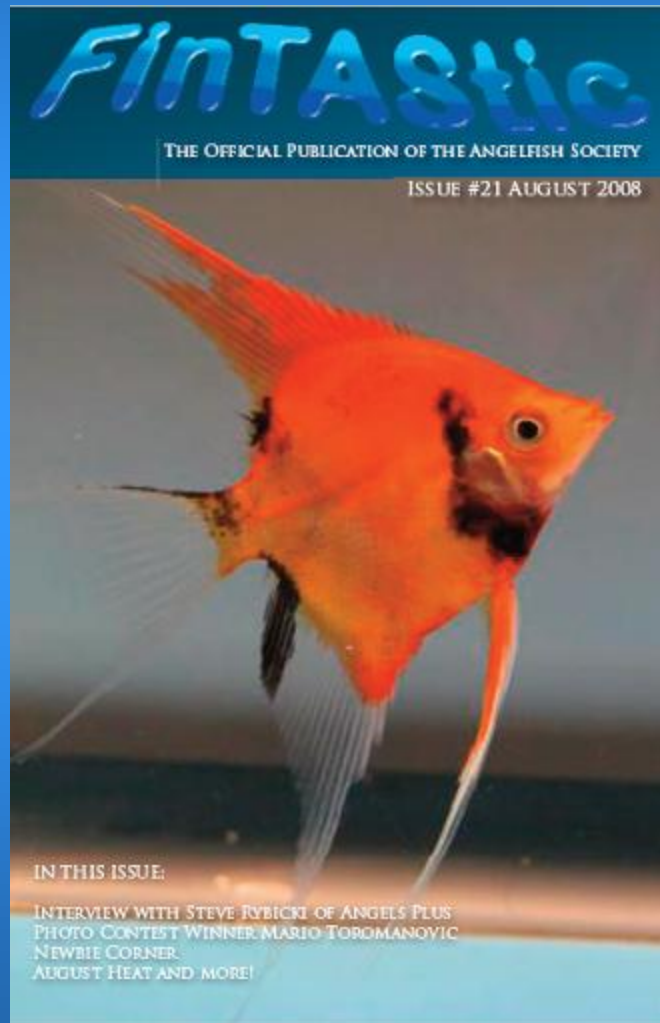

*Often we allow time during a meeting to take a peek at the newest edition of FinTAStic.*

*If you have a slow connection, it may take a while to download it.*

*So, we have this preview to give you a glimpse of what's in store.*

*So welcome to the newest FinTAStic...*

# With a bright new look!

*“Wow!” - cover of the newest edition.*

*The next pages give you a peek inside...*

# In this edition...

*From the Editor – meet the new editor,  
Steve Rogers.*

*How did he get started with tropical fish?*

*– “I was invited over to see his fish room...I was  
amazed beyond belief!”*

# New Feature

“Newbie Corner” by Kathi Fluck, with pointers and advice for those who are new to angelfish.

This month: all about heaters and temperature.

“Heaters never break down at a convenient time”

“Always keep a backup!”

“A simple scan...for temperature takes seconds...”

# Feature Articles!
